

HEUVER HYDRAULIEK

ALWAYS A SOLUTION IN HYDRAULICS AND MORE

STANDS/KNOWN FOR:

- High-quality technical knowledge
- Outstanding service
- Flexible
- No-nonsense mentality
- Reliable
- Skilled staff

HEUVER HYDRAULIEK

SPECIALIST IN:

- (Assembling) Hydraulic hoses, presscouplings and accessories
- High pressure tube bending
- Industrial hoses and accessoires
- Packages of customised products
- Service at the counter
- Test bench to 1600 bar
- 24/7 Service

BRANDS:

- BLAGO
- HOLMBURY
- KNAPHEIDE KHHoses
- INTERTRACO / BRIDGESTONE
- TRELLEBORG
- F.O.R. FITTINGS
- FONTAN
- STAUFF
- REXROTH
- MARCHESINI
- WALVOIL
- CEJN
- FASTER
- MERLETT
- CAMOZZI

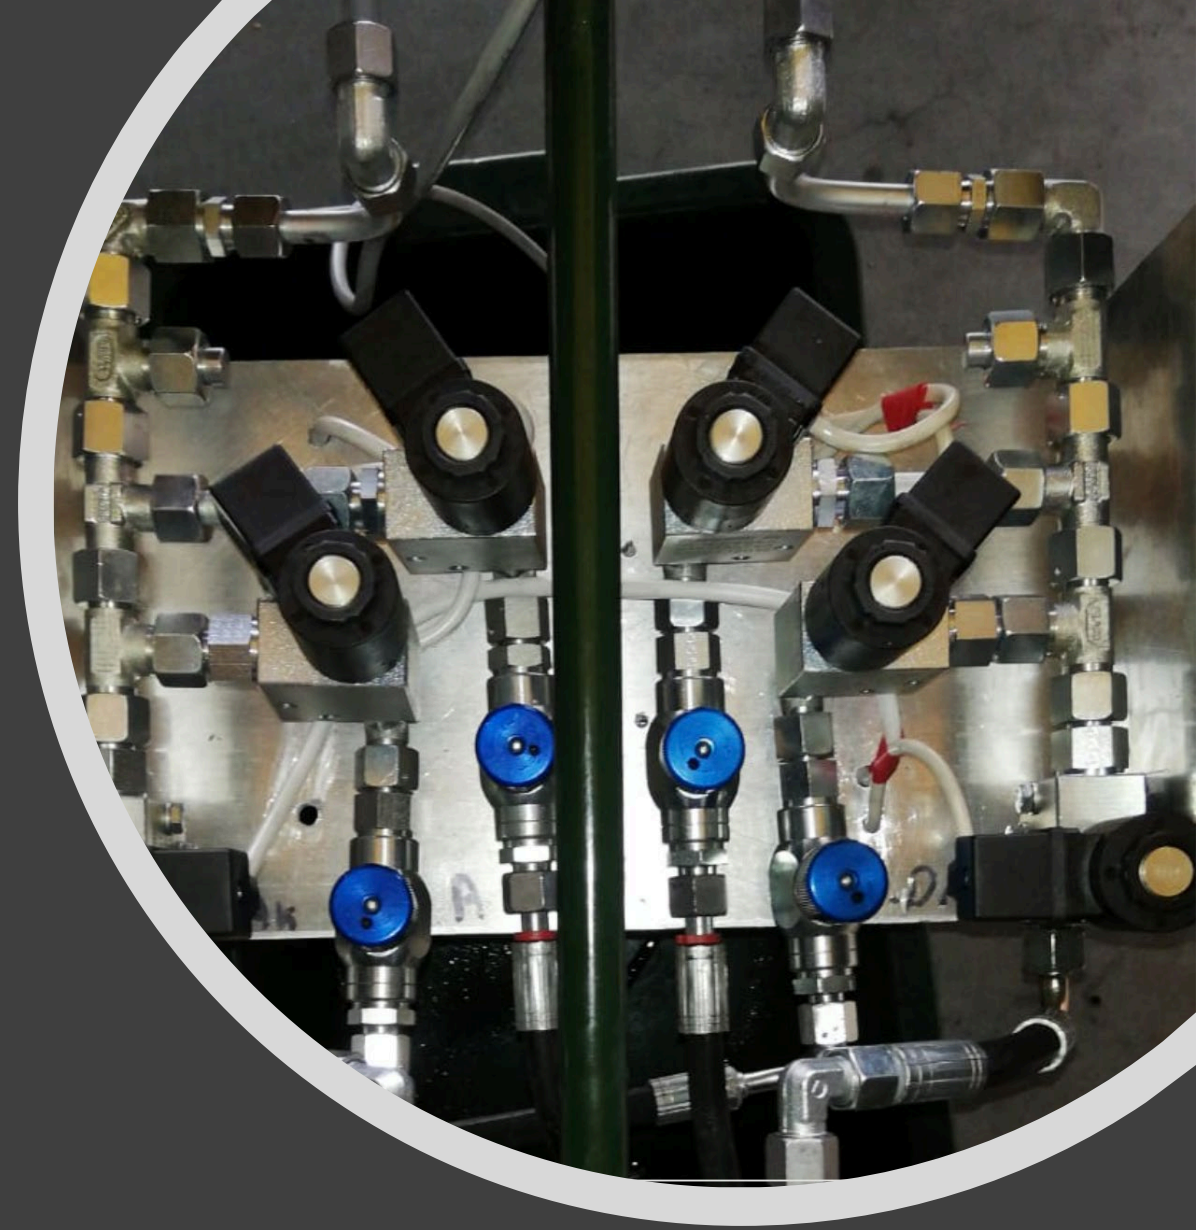

Hydraulic hoses and fittings:

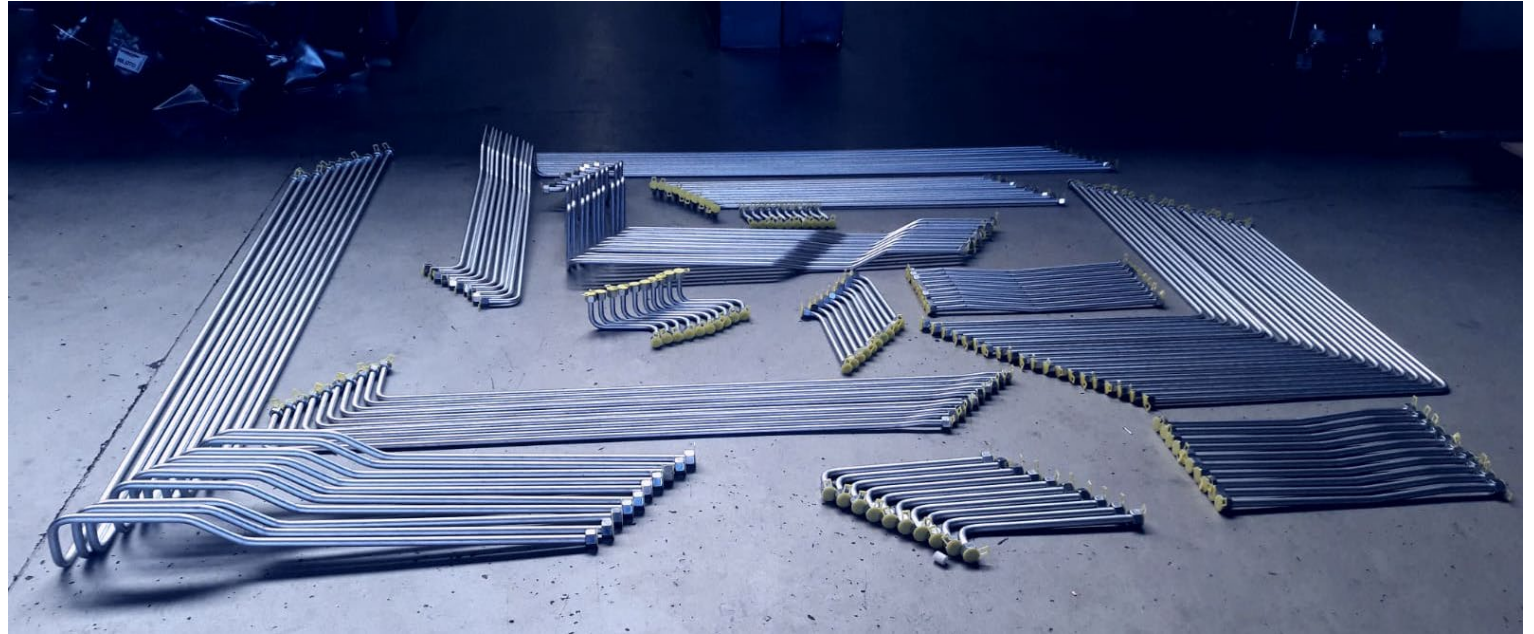

- From stock hoses 1SC (1/4") to 6ST (2")
- Oil suction – delivery hose
- Wide range of press fittings on stock
- Interlock press fittings

Hydraulic Components:

- Quick release couplings and multiblocks
- Fittings (CR06free, stainless steel of zinc-nickel coated)
- Adapters
- Measurement equipment
- Ball Valves
- Valves
- Pumps, motors and cylinders

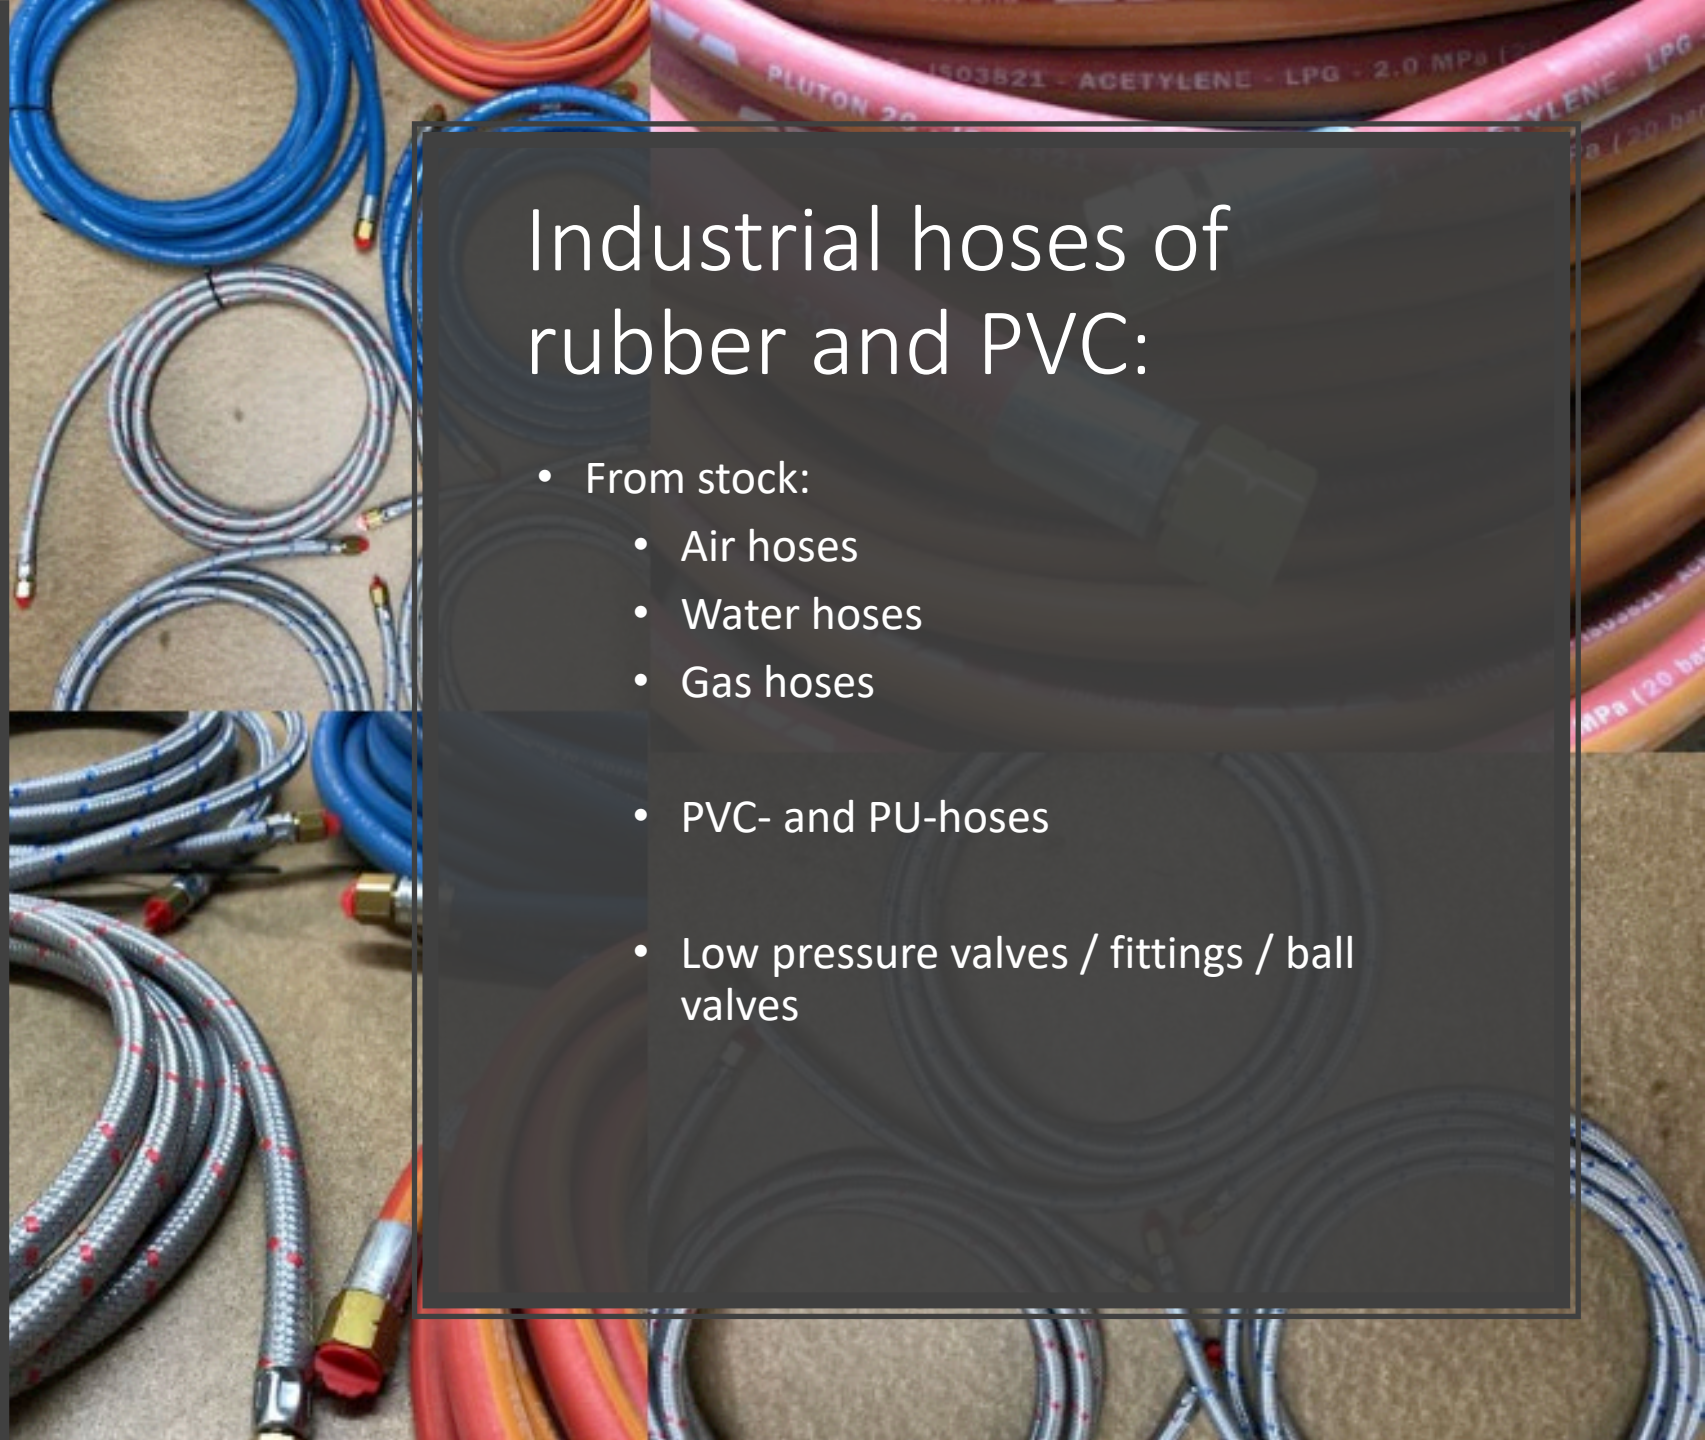

Hydraulic - High pressure
tube engineering:

Industrial hoses of rubber and PVC:

- Tank truck hoses
 - Granulate / chemistry / animal feed
 - Tank truck couplings
 - Storz couplings
 - Aluminium / stainless steel
- Compressor hoses
- High pressure cleaning, spraying, Teflon hoses
- Suction and delivery hose

Industrial hoses of rubber and PVC:

- From stock:
 - Air hoses
 - Water hoses
 - Gas hoses
- PVC- and PU-hoses
- Low pressure valves / fittings / ball valves
